TUITION ASSISTANCE

This session I am proud to support a bill that would waive tuition fees at Charter Oak State College for wartime military veterans and members of the Connecticut National Guard. The brave men and women who keep us safe deserve the best educational opportunities that we can provide.

VETERAN'S LICENSE PLATES

I am supporting a bill that allows active members of the armed forces and National Guard to obtain veteran license plates. Until now, only retired members have been granted plates. Retired veterans currently eligible for veterans plates can get more information from the Department of Motor Vehicles online at www.ct.gov/dmv, or by calling 860-263-5700

ONE-STOP SHOP FOR SERVICES

House Bill 5956 would require the Department of Veterans' Affairs to maintain an internet web site that provides information concerning services, benefits and programs available to veterans or their families.

VETERAN STATUS ON DRIVER'S LICENSE

Under a proposed bill, the Department of Motor Vehicles will be required to include a person's veteran status on their driver's license or other operating license. Having a standard ID with a veterans designation would provide easier proof of eligibility for benefit programs and access to store discounts.
