COVID-19 has exposed many underlying inequities in Connecticut. With a new administration in the White House, our state has a unique opportunity to leverage federal funding and take big leaps towards addressing racial equity in our state and bring back our economy. This will go a long way to ensuring a brighter and stronger future for all Connecticut residents.

As your new State Representative I am proud to represent the 145th district in Stamford and I look forward to representing our community. I've highlighted a few proposals that House Democrats have advanced out of our committees, along with a few items that I'm personally endorsing.

Please reach out to me at any time for more information.

Sincerely,

Corey P. Paris
