

# UPDATE FROM REPRESENTATIVE MICHAEL D. QUINN

The 2022 legislative session has concluded, and I am proud of the work we have accomplished! In addition to securing state funds for the City of Meriden, I voted with my colleagues to:

- Make historic investments in children's mental health
- Continue Telehealth options for providers and patients
- Create more student loan assistance programs
- Increase penalties for certain repeat juvenile offenders
- Cut your Taxes!

# REPRESENTATIVE QUINN BRINGS STATE FUNDS TO MERIDEN

I AM PROUD TO HAVE SECURED A GRANT FOR

# \$600,000

FOR THE CITY OF MERIDEN TO REPLACE TRAFFIC SIGNALS

These funds will replace the traffic signals at West Main Street at Windsor Avenue and Centennial/ Home Avenue.

“This funding will help address issues at one of the more problematic intersections in Meriden. It was my pleasure to work with city leaders and my legislative delegation to secure this bonding allocation.”
