

IMPORTANT COVID VACCINE INFORMATION FROM REP. RYAN

As we navigate through this pandemic, I wanted to make sure that you are up to date on the state's vaccine rollout. Many of you have reached out and I am pleased to report that as of this writing, Connecticut is the 5th best in the country when it comes to vaccine administration.

I hope you find this information helpful, and please do not hesitate to reach out to my office should you have any further questions.

Stay safe and be well,

STATE REPRESENTATIVE KEVIN RYAN

COVID-19 Vaccination Update from Rep. Ryan

BOZRAH, MONTVILLE, NORWICH | 139TH ASSEMBLY DISTRICT

COVID-19 Vaccine FAQ

Q: Can people who have already had COVID-19 get the vaccine?

A: Yes. The CDC recommends getting vaccinated even if you have already had COVID-19 because reinfection is possible.

Q: Is the COVID-19 Vaccination safe for children?

A: Vaccinations are only offered to those 16 and older at this time

Q: Can I get the vaccine if I am pregnant or nursing?

A: Yes
