Proudly helped pass legislation last session that:

- Eliminated even more taxes on retirement income such as pensions, annuities, and social security
- Established a new free prescription drug discount card for all Connecticut residents to save on medications
- Established a new Dementia Services Coordinator position to service Connecticut residents with dementia
- Strengthened patients' involvement in their homemaker care plans and streamlines the process for filing complaints
- Expanded eligibility for seniors to participate in adult day services, serving those with early onset dementia
- Expanded Medicaid coverage for services such as primary healthcare, physical therapy, and more
- Increased funding by \$2.5 million for elderly nutrition and Meals on Wheels
