

SESSION WRAP-UP

Dear Neighbor,

As the summer comes to a close, I wanted to reach out and let you know what a privilege it is to serve as your state representative. The 2023 legislative session is now in the rearview mirror, and I wanted to take a moment to check in and share some highlights.

I'm proud to have worked on a budget that delivers historic tax cuts for working families while increasing funding for our community.

Most importantly, we delivered for New Britain by prioritizing education, supporting non-profits, seniors, small businesses, veterans and first responders.

I would love to hear from you if you would like more details or have any questions on any of the initiatives addressed in this legislative update.

Sincerely,

BIG WINS FOR NEW BRITAIN

- ✓ **\$3.6 million** increase in education funding
- ✓ An additional **\$250,000** for non-profits
- ✓ **\$1.7 million** to support the expansion of the New Britain YMCA Child Care Services.
- ✓ **Mill Car Tax Cap** - No car owner in any municipality will be required to pay a rate of more than **32.49 mills**

OUR BIPARTISAN BUDGET INCLUDES HISTORIC TAX CUTS!

A STATE BUDGET FOCUSED ON:

Our budget includes the **largest Personal Income Tax cut in CT history** by cutting marginal income tax rates, increasing the Earned Income Tax Credit, capping mill rates, and eliminating even more retirement income taxes.

INDUSTRY GROWTH

Our budget **supports CT's growing industries** such as childcare, adult-use cannabis, manufacturing, and media, film and theater production.

INVESTING IN OUR STUDENTS

Our budget **invests over \$240M in public education** by stabilizing our state colleges and universities, expanding debt-free community college, fully funding our schools and local boards of education, and increasing scholarships and student debt relief.

SAFETY NET SERVICES

Our budget expands Temporary Family Assistance, increases Husky C. eligibility, provides funds to community action agencies for residents facing immediate economic hardship, supports the 9-8-8 Suicide and Crisis Lifeline, and increases Medicaid rate reimbursements for providers and specialists.

IDD SUPPORTS

Our budget **invests over \$30M to better serve Intellectually or Developmentally Disabled individuals** by addressing agency waiting lists for services, bolstering employment opportunities, increasing Husky C eligibility, and breaking down silos for better coordination and data collection.

- Protected workers whose health benefits are terminated by an employer following a strike or labor dispute
- Cut business taxes to promote expansion of childcare facilities
- Made it easier for small contractors to bid on state projects
- Required full disclosure of hidden fees on small business loans, ensured access to judicial hearings in a dispute, and required any loan offers to be good for at least three days
