REP. SANCHEZ: BRINGING BACK CONNECTICUT'S ECONOMY

While our communities have faced devastating hardship this year, we are beginning to see brighter and stronger days ahead. With a new administration in the White House, our state has a unique opportunity to leverage federal funding and make the types of targeted investments that our economy needs to ensure all of New Britain and Newington's residents can economically recover, and are on a path to prosperity.

I've highlighted a few proposals that House Democrats have advanced out of our budget committees, along with a few items that I'm personally endorsing.

Please reach out to me at any time for more information.
