REP. FARLEY SANTOS: PRIORITIES

Make Connecticut More Affordable: Fighting to keep more money in your pocket by opposing new taxes on working families, tackling high energy costs, and working to lower the cost of groceries and everyday essentials.

Delivering for Danbury: Bringing home record levels of state funding, so Danbury receives every dollar it deserves from Hartford to invest in our schools, infrastructure, and public safety.

Protecting Seniors & Growing Our Economy: Protecting seniors and retirees by defending pensions, strengthening affordable healthcare protections, and supporting economic growth that creates well-paying careers for the next generations.

I remain committed to making Connecticut more affordable. It is an honor to represent you, and I will continue to work and advance policies that support working families and strengthen our communities.
