2021 Constituent Services Guide

Dear Neighbor,

I am honored to represent the interests of Milford residents as I work with fellow legislators to address the many pressing issues facing the Connecticut General Assembly. Realizing the effect of the pandemic on the lives of the residents of the State, my focus is on ways to support the recovery of our economy and community needs. I currently serve as the Vice Chair of the Housing committee and serve on the Education and Environment committees, giving me the opportunity to shape the conversation on items of importance to our community.

Please feel free to reach out to me with issues, concerns, or suggestions so I know how to more effectively serve you. Your input will help me make Milford an even better place to live, work and play. My office staff and I are available to assist you with many of the State agencies and programs including, but not limited to, those mentioned in this brochure.

Thank you for allowing me the opportunity to serve you. I will continue to work hard to validate the trust that you have placed in me.

Sincerely,

Frank Smith
