

*As your State Representative*, I want to thank you for your support as I look forward to serving as your voice at the State Capitol.

Connecticut is still on the road to better days. The job growth and fiscal challenges we face are significant and will certainly be areas of focus this legislative session.

I remain committed to working to bring a more efficient government while ensuring the protection of our most vulnerable citizens and keeping essential services properly funded.

This year, we have many new Constitutional Officers in Connecticut State Government. They serve each of us and their offices can lend valuable assistance. Please feel free to contact me and I will work with them on your behalf.

Thank you for the honor of serving you.
