

Survey Results

Thank you to all who have mailed in your survey responses or answered the questions online. I always appreciate hearing from you. In the graph below, you can see the major issues which you and your neighbors have indicated as their top priorities. I take these responses seriously and am fighting to make sure we shape Connecticut in the image we want.

Thanks to those of you who responded to my Constituent Survey. From those responses, here is what I learned:

Earned Family & Medical Leave

The majority of surveys returned to me indicated that earned family medical leave was the most important issue to those living in New Britain. Family leave helps Connecticut residents care for their newborn children, or a sick or elderly loved one by providing income to cover lost wages. Connecticut can help lead the way by supporting this important legislation which adds a level of security for workers.

STATE REPRESENTATIVE

Peter Tercyak

Dear Friends and Neighbors,

The 2019 legislative session is underway and I would like to provide you with an update on some of the issues and priorities my colleagues and I are working on. In odd numbered years, the General Assembly convenes in January, adjourns in June, and is referred to as the “long session.” During this session, proposed bills from individual legislators aren’t limited to matters concerning the state budget (anything tax or spending related). We can introduce any non-budgetary legislation we want. Of course, we also begin work on a new two-year state budget.

Some of the issues we are addressing, based on input from constituents, include: raising the minimum wage, and enacting earned family and medical leave.

The majority of working families support these priorities as well as new revenue streams to address structural deficits that won’t involve cutting programs or raising taxes.

In this mailer you’ll find the results of our district survey and some helpful local information.

For a representative democracy to truly work, I need to hear from you, my constituents. Please do not hesitate to contact me with any ideas, questions or concerns you may have.

Thank you for your support,

Peter Tercyak
State Representative
26th Assembly District

State Representative Peter Tercyak

My office is often asked about local New Britain programs and issues that the state doesn't always handle. I would like to help provide some useful information in my mailings to ensure that you are made aware of some of the resources that are available in our community.

Recycling Clothing, Shoes & Accessories

Don't throw away your clothing, blankets, towels, & other textiles. Utilize the city's curbside Simple Recycling "Pink Bag" Program. Simple Recycling will follow the same schedule as normal recycling pick up times, and the company will leave a new bag each time a bag is collected. If you do need additional bags you can either email Simple Recycling at info@simplerecycling.com or call them at 866.835.5068.

Common Items That Should Be Taken To The Transfer Station

Located at 642 Christian Lane New Britain

-  Electronic Devices (TV's, Computers, Printers, DVD Players, Microwaves, VHS Tapes, etc)
-  Rechargeable Batteries
-  Propane Tanks
-  Waste Motor Oil and Oil Filters
-  Light Bulbs
-  Leaves and Brush
-  Mattress and Boxspring
-  Anti-Freeze

Additional Recycling Hazardous Materials Resources

Motor Oil and Automotive Waste

Motor Oil can be recycled at the New Britain Residential Recycling Center. Additionally, most AutoZone and O'Reilly Stores collect various automotive waste streams for proper handling and disposal, including used motor oil and car batteries. Contact New Britain locations before dropping off automotive waste, including used motor oil, to be sure they have room to store it. AutoZone - 95 Myrtle St. O'Reilly - 200 Allen St

PaintCare Program

To safely dispose of paint please take advantage of our local PaintCare stewardship program. These sites accept all brands of old house paint, stain and varnish — regardless of how old the paint is. New Britain's two PaintCare providers generally accept containers that are five gallons or smaller, and do not accept aerosol products.

Unused or leftover paint can be dropped off at:

John Boyle Co.

152 S Main St New Britain, CT 06051

(860) 224-2436

New Britain Recycling Center

642 Christian Ln New Britain, CT 06037

(860) 826-3494

Hours Monday-Friday 7am-2:15pm, 2nd & 4th Saturday April through November
