## WORKING TO ELIMINATE STATE INCOME TAX ON SOCIAL SECURITY

I want to thank you for your support and for allowing me the privilege of representing you in the General Assembly. I have been appointed to the Committee on Aging and would love to hear your comments and concerns to help improve the quality of life in Connecticut for seniors.

I have introduced a bill with other members called, "An Act Concerning A Tax Exemption For Seniors' Social Security Benefits". If passed, there would be no state income tax on Social Security benefits.

This mailer includes contact information for several different organizations that can provide you with assistance. It is also a convenient card to keep on your fridge for future reference!

Sincerely,

## HELPFUL SERVICES AND PROGRAMS

### ***DIAL-A-RIDE***

This transportation service is for residents of Vernon 60 years and older or any adult resident over the age of 18 who has a permanent disability. Trips are restricted to medical appointments, grocery shuttle and senior centers. For more information call (860) 870-7940.

### ***TAKE CAUTION WITH OFFICIAL-LOOKING MAIL***

Seniors often receive official-looking documents in the mail. These mailings talk about benefits for which you may qualify. They may be disguised attempts to sell insurance.

The Social Security Administration does not pressure people to "Call now!" They also do not ask for credit card information over the phone. Please be cautious in responding to mail solicitations.
