REP. KERRY WOOD

NEWINGTON, ROCKY HILL, WETHERSFIELD

29TH DISTRICT

COMMITTEE ASSIGNMENTS

Insurance and Real Estate, Chair
Commerce

Vaccine Task Force Member

Dear Neighbor,

While the past year has been filled with uncertainty, I want to thank you for stepping up when food banks were running low and providing financial support and supplies to our senior and disabled neighbors. I always find that when things look bleak, helping others is a way to make people feel like they are not in this alone. Your resolve during this time has been inspiring beyond words and I know I am not alone in saying how lucky I am to live in this community.

As your State Representative, I am your voice in the Connecticut General Assembly. I am here to continue to serve you with issues relating to unemployment, vaccine distribution, proclamations, and connections to state services. This year, we are in session from January through June. If you have issues that are important to you at the state level, please don't hesitate to reach out and communicate with me.

Stay safe and be well.
