YOUR VOICE AT THE STATE CAPITOL

STATE REPRESENTATIVE JOSH ELLIOTT

“This session, I have been working on legislation to improve health care access and services to some of our state’s most vulnerable patients. Also, as House Chair of Higher Education, I remain committed to making college and career training more affordable and accessible for all.”

MY LEGISLATIVE PRIORITIES:

AID IN DYING

I believe that adults with terminal illness should have the right to end their lives peacefully, in a dignified way, surrounded by family and loved ones. SB 88 would allow for that.

EXPLICIT CONSENT FOR PELVIC AND PROSTATE EXAMS

HB 5278 would prohibit any type of intimate exam without the prior express permission of a patient. This law would build trust between patients and providers and help prevent intimate exams without consent.

MENSTRUAL PRODUCTS IN PUBLIC SPACES

HB 5272 would provide access to free pads and tampons to K-12 public school students as well as to those housed in prisons, jails, homeless shelters, colleges, and universities.

MY COMMITTEES:

- Higher Education, House Chair
- Finance, Revenue, and Bonding
- Public Health
