

# YOUR VOICE IN THE STATE HOUSE

Dear Friends,

It's been a challenging year full of rapid change. I want to thank you and your family for the sacrifices you have made to protect the health and safety of our community. We will do everything we can this year to confront the economic and health challenges of this devastating pandemic and to ensure that the towns of the Northwest Corner recover. As your State Representative, I look forward to continuing to serve you at the General Assembly in Hartford (or, more often these days, from my home in the corner of the Northwest Corner). I have learned from you every day, and I am always interested in hearing your views on the vital matters facing the state. Please email me with any questions, suggestions, or comments you would like to share.

Stay safe and be well,

**REP. MARIA HORN**
