Youth Advisory Council Application

Representative Cristin McCarthy Vahey's Youth Advisory Council provides an opportunity for students to serve their community, learn about the legislative process, and provide their input and suggestions to the Representative to aid her in representing the youth and town of Fairfield at the Capitol. The Council aims to give students the knowledge, tools and experience needed to address issues in their communities through state policy. All Council members will have a challenging and unique experience and will provide valuable input to the legislative process.

Membership requirements include attendance in at least 3 of the meetings held throughout the school year. Council members will engage in meaningful debate about how best to solve community issues through state policy and advocate for those policy solutions in Hartford.

Meeting dates: November 17th, January 26th, March 15th, and April 26th from 4:00pm – 5:00pm
