# STATE REPRESENTATIVE DAVID MICHEL IS PROUD TO ANNOUNCE **\$6.77M INVESTED IN STAMFORD**

I am so proud to share that Stamford has received significant funding to enhance the vibrancy of our city and support children and families. These projects will support our arts and culture industry, upgrade recreational facilities for our youth, and address the critical need for affordable housing opportunities. I am pleased to see meaningful investments being made in our community.

- **\$2.5 million for the Stamford's Housing Development Fund** to create permanent and affordable homeownership opportunities.
- **\$950,000 for the Palace Theatre** to replace the approximately 800 balcony seats which are the original seats from 1927. The funds will also be used to add accessible seating, install new carpeting, and install new aisle lighting.

- **\$2 million for Stamford High School** to upgrade its existing baseball field and softball fields as well as to add two new fields for soccer, lacrosse and field hockey. In addition, the funding will support ADA compliant pathways.
- **\$250,000 for Toquam Magnet Elementary School** for the construction of a kindergarten playscape.
- **\$70,000 for the Boys and Girls Club** for security fencing around Yerwood Center.
- **\$1 million for Terry Conners Ice Rink** renovations and improvements.
