Dear Neighbor,

The 2019 Legislative Session has begun and I want to hear from you! For this term, I have the honor of serving as vice-chairman on the Energy & Technology committee as well as a member of the Public Safety and General Law Committees, giving me the opportunity to shape the conversation on issues of critical importance to our community.

That's why I want your opinion on the most pressing issues facing Bethel, Danbury, Newtown and Redding. Representing the interests of my constituents will always be my first priority as I work with fellow legislators to address the many important challenges facing our great state.

Please continue to reach out to me with questions, concerns or suggestions as to how I can more effectively serve you. You can email me at Raghib.AllieBrennan@cga.ct.gov, give me a call at (860) 240-8585 or come visit me at the Capitol.

TOOLS YOU CAN USE – THE GENERAL ASSEMBLY’S WEBSITE

Your first stop for information on legislation, committees, and public hearings is the Connecticut General Assembly website: www.cga.ct.gov. Here you can find a weekly calendar of all the public hearings and events taking place at the Capitol. In addition, you can track bills, watch a video on how to testify and access information from the legislature’s non-partisan offices.
