COFFEE HOURS

My most important job as your state representative is to advocate on your behalf and support issues important to the 50th District. Oftentimes the best ideas to shape state government come directly from my constituents. I invite you to join me at one of the five upcoming coffee hours I'll be holding in district next month! Throughout my first year as your state representative, I've learned so much from these casual conversations and I hope you'll consider taking time out of your busy schedule to stop by and tell me what's on your mind. This is your chance to come speak with me concerning issues regarding state government. If you cannot make it, but would still like to discuss any issues with me, please email me at Pat.Boyd@cga.ct.gov or call at 860-240-1372.
