# YOUR VOICE AT THE STATE CAPITOL

STATE REPRESENTATIVE PATRICIA DILLON

This session, I've been working on proposals to help our community and its residents:

- \* **Making it Easier for People to Vote** by expanding access to both absentee voting and early voting
- \* **Protecting our Children from Gun Violence** as guns were the leading cause of death in children in 2020
- \* **Protecting the West River & Long Island Sound** and limiting catch of forage fish and prey fish
- \* **Fully Funding the PILOT Program** to repeat last year's historic \$50 million to the City of New Haven
- \* **Protecting Our Children's Mental Health** by expanding community programs that encourage follow-up visits for patients
- \* **Addressing Food Insecurity** by ensuring fresh food is provided to vulnerable populations such as seniors and expecting mothers
