I PASSED HISTORIC TAX CUTS

- Passed the largest income tax cut in state history.
- Secured over \$25 million in State Aid to Bloomfield and West Hartford for FY24 and FY25, which helps offset local property taxes.
- Increased Connecticut's Earned Income Tax Credit for low-income workers from 30.5% to 40% of the federal credit. This will provide additional tax credits to approximately 3,114 filers in Bloomfield and West Hartford. More than 95% of them are families with children.
- Expanded exemptions for retirement income such as social security, pensions and annuities.
- Ensured that families of four making \$50,000 or less annually will pay no state income taxes.
