

# YOUR VOICE IN THE STATE HOUSE

---

Greetings,

As your newly elected state representative, I look forward to serving you in the CT General Assembly in Hartford. My top priority is to make Stamford a better place to live, work, and raise a family. While I believe that Connecticut is on the right track, we still need to face the challenges of inflation, adequate funding for childcare and public education, and more affordable housing options. I am committed to addressing these issues head on.

Please do not hesitate to contact me if I can be of assistance to you or your family. It's an honor to serve as your state representative and I look forward to hearing from you about ways we can improve our community.

Best,
