

REP. MARY MUSHINSKY: BRINGING BACK CONNECTICUT'S ECONOMY

While our communities have faced devastating hardship this past year, we are beginning to see brighter and stronger days ahead. With a new administration in the White House, our state has a unique opportunity to leverage federal funding and make the types of targeted investments that our economy needs to ensure all of Wallingford's residents can economically recover, and are on a path to prosperity.

I've highlighted a few proposals that the majority supports and have advanced out of our budget committees, along with a few items that I'm personally endorsing. These bills are works in progress and the final versions won't be clear until session adjourns in June.

Please reach out to me at any time for more information or if you need assistance.
