

STATE REPRESENTATIVE MANNY SANCHEZ PASSES BALANCED BUDGET WITH HISTORIC INVESTMENTS FOR NEW BRITAIN

We worked hard to deliver a budget that adheres to our fiscal guardrails while still providing hundreds of millions in more funding to our local schools, CT colleges and universities, and services for our most vulnerable residents. As part of our historic tax cuts, families of four who make \$50,000 annually will pay no state income taxes. This is another important step in making CT affordable for all.

BUILDING OFF LAST YEAR'S SUCCESS

- ☑ Continues the Earned Income Tax Credit at its highest historic level – helping our lowest-earning workers and families
- ☑ Continues car tax cap and property tax credit for homeowners
- ☑ Invests over \$240 million in public education for 2024-25 school year
