YOUR VOICE IN THE STATE HOUSE

As your new state representative, I'm excited to begin serving you in the Connecticut General Assembly! I want to first thank outgoing Representative Robyn Porter for her decade of service representing Hamden and New Haven. I want to continue her legacy of advocacy and collaboration in the legislative session that's just begun.

As a New Haven Alder, I worked with colleagues to strengthen housing code regulations, implement safe streets improvements, increase resources for education and youth programming, and take action on climate change. In Hartford, I am focused on increasing resources for education and youth, progressive tax reform, clean and affordable energy, and affordable housing.

Please do not hesitate to contact me if I can be of assistance to you. It's an honor to serve as your state representative and I look forward to hearing from you about any issues you may have.

Best,
