

FROM THE DESK OF
STATE REPRESENTATIVE
JASON DOUCETTE

Dear Neighbors,

A big part of my job representing the interests of Manchester and Glastonbury in the Connecticut General Assembly is to help answer questions or address concerns regarding any of the functions of state government and to assist residents with their issues or problems with a state agency. To that end, I encourage you to reach out to me with these issues, concerns, or suggestions. Some of the ways my office can assist you are explained throughout this brochure.

In addition, my office is able to assist you with scheduling visits to the state Capitol and with official citations for special events or memorial citations.

Please do not hesitate to contact me: email me at Jason.Doucette@cga.ct.gov, give me a call at 1-800-842-8267, or come visit me at the state Capitol.

Thank you for allowing me the honor of serving you. I will continue to work hard to validate the trust that you have placed in me. Please consider my office at the state Capitol to be your office too, and don't hesitate to utilize these services!

Sincerely,

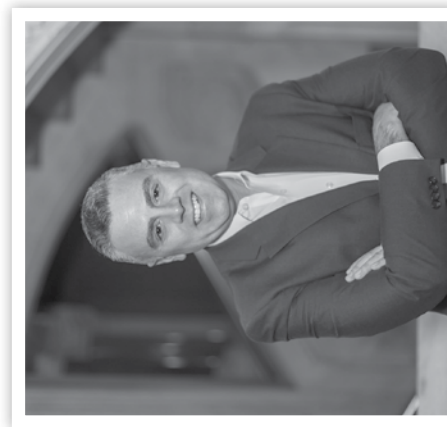

One of the best ways to stay up-to-date
is by signing up for my e-blasts.

- Referrals to legal services

HOW WE CAN HELP YOU

SENIORS

Connecticut provides many resources for seniors as well as their caregivers and advocates. This large range of support is made possible by the State Department on Aging. I can connect you with information on health and wellness programs, heat and energy assistance, and housing initiatives all tailored for our senior residents.

VETERANS AFFAIRS

It is my privilege to represent and serve the brave men and women of our nation's military. My office is ready to help veterans and their families navigate benefits, healthcare and support programs offered through the Department of Veterans Affairs.

CONSUMER PROTECTION

I can assist you if you have been the victim of unfair business practices or have been the victim of identity theft. With the economy moving to a digitally based one, it is more important than ever to protect consumers from fraud and discrimination.

SMALL BUSINESS ASSISTANCE

If you are looking to expand or move your business in Connecticut there are many programs available to help facilitate that. These resources help provide existing small business owners with the support they need.

HEALTHCARE

If you have a concern about your access to healthcare or insurance coverage please call my office. The Office of the Healthcare Advocate and I will work together to find a resolution for you.
