

YOUR VOICE IN THE STATE HOUSE

Dear Friends,

It's been such a difficult year. Nonetheless, I want to thank you and your family for the sacrifices you have made to protect the health and safety of our community. We will do everything we can this session and beyond to confront the economic and health challenges of this devastating pandemic to help Waterbury recover.

As your State Representative, I look forward to continuing to serve you at the General Assembly in Hartford. This is a hard time, but I am always here to make sure that you and your family are receiving the resources that you need from our state government. Please email me with any questions, suggestions or comments you would like to share.

Stay safe and be well,
